

Caregivers Count

Data on Caregivers of Persons with Dementia

The following list provides resources on facts, figures, and statistics related to caregiving of persons with dementia. The Michigan Dementia Coalition provides these as useful and respected resources but does not verify data presented.

1. Alzheimer's Association Facts & Figures

Comprehensive compilation of national statistics and information on Alzheimer's disease and related dementias; conveys the impact of Alzheimer's on individuals, families, government, and the nation's health system.

www.alz.org/alzheimers_disease_facts_figures.asp

2. BRFSS (Behavioral Risk Factor Surveillance System)

Annual, statewide telephone survey focuses on behaviors, medical conditions, and preventive health care practices related to the leading causes of mortality, morbidity and disability.
